

CYCLING: LAKE GENEVA TOUR, 6 DAYS

Velo: Genfersee Rundfahrt

A lust for life meets classic elegance

Clear, blue water laps against the bow of the boat taking you to Évian-les-Bains on the southern side of Lake Geneva. A fairytale atmosphere then awaits you on the trip to Yvoire. Fancy a dip in the cool water? Or perhaps a glass of wine in one of the many lakeside restaurants? In Haute-Savoie, French joie de vivre awaits you at every turn.

The diplomatic hotspot of Geneva, on the other hand, provides quite a sharp contrast and there'll be plenty of time to explore this fascinating metropolis before you continue your journey. Well-preserved castles and elegant market towns await you on the north shore of the lake. As you ride through the Lavaux vineyards, the steel-blue water, lush green vines and snowy white peaks unfold wonderfully before you. There's nowhere in Switzerland more beautiful than Lake Geneva.

Geneva – Nyon/Prangins

TOUR CHARACTERISTIC

There can be traffic around the towns, but the ride along the lake takes place mostly on quiet back roads and well-maintained cycle paths. In France, the paths are flat and easy to ride. In Switzerland, there will always be some small inclines to negotiate.
