CYCLING HOLIDAYS HOLLAND'S MOST BEAUTIFUL CITIES

Cycling: Holland's most beautiful cities

Between Holland's windmills and tulips

The fantastic cycle tour through the Netherlands begins and ends in Amsterdam, the city of canals, bicycles and museums. Before heading towards Zaandam on two wheels, take time to stroll through the city. A canal cruise through the city is ideal. After all, what could be nicer than cruising through Amsterdam's alleys, admiring the narrow houses and letting your mind wander? From Amsterdam, one of the most famous bicycle cities, you cycle from one pretty village to the next.

The special thing about it: the region is richly equipped with windmills and traditional wooden houses. On your way through the rural area, old monuments, extensive dunes and modern buildings line the cycle paths. As you pedal you reach the cities of Noordwijk aan Zee, Delft, Rotterdam and Nieuwkoop/Bodegraven. From there you cycle back to Amsterdam. In a nutshell: the trip through the Netherlands not only impresses with its cultural highlights, but above all with its unique landscape!
