CYCLING HOLIDAY 10 LAKES & SOUND OF MUSIC

Cycling: 10 Lakes & sound of Music

Through the lake district by bike

The shimmering Salzkammergut lakes are an incomparable sight that should be experienced – and the best way to do this is by a cycle tour from lake to lake and from highlight to highlight. Enjoy the fresh mountain air, the clear water, the lush green nature and meet the warm residents of the Salzkammergut. On this 9-day cycling tour without luggage you can casually shake off the hectic pace of everyday life and enjoy something special.

The festival city of Salzburg is a starting point and urban highlight of this tour. Known worldwide for Mozartkugeln and 'The Sound of Music', the city on the Salzach has a lot to offer, for example, the delightful old town and the imposing Hohensalzburg Fortress. From A for Abbey (Michaelbeuren) to Z for Zoo (Hellbrunn) – a whole alphabet of highlights awaits on the Ten Lakes Tour. Nature lovers get their money's worth on this tour. The Ibmer Moor nature reserve, the deep blue Fuschlsee or the Salzachauen offer relaxation for the senses. From a cultural point of view, you can look forward to the 'Silent Night' town of Oberndorf, the 'Mozart village' of St. Gilgen and the Kaiservilla in Bad Ischl.
