CYCLING HOLIDAYS STOCKHOLM ROUNDTrip

Cycling: Round Trip Stockhom

Across Swedish History

Sweden means blueberry pie, cinnamon buns and smorgasbord. The long history of the Vikings, Midsommar and the Lucia Festival. But also for idyllic expanses, water and untouched nature. Find out what your individual experience of Sweden will be on a cycling holiday with Eurobike. The tour takes seven days from Stockholm to Mälaren, one of Sweden’s largest lakes, through the Sörmland countryside and back to the capital along the Baltic Sea coast.

Get an idea of the country of Inga Lindström, Pipi Longstocking and the Vikings. The fact that Sweden is an ideal destination for holidaymakers is only proven by the quality of the cycle paths and the well-developed network. The mild, not too hot summer temperatures also promise the best conditions for an unforgettable cycling holiday. For seven days you explore the green surroundings of Stockholm and of course the northern city itself on two wheels.

ITINERARY

DAY
1

Arrival to Stockholm

Take your first stroll through Sweden’s capital and explore some of many sights and tourist attractions.

DAY
2

Stockholm – Södertälje

The bike trip takes you along an ancient trade route that has existed since the Viking Age, skirting along Sweden’s third largest lake, Lake Mälaren. On the way, you pass the World Heritage listed Drottningholm Palace. Here, right on the shore of Lake Mälaren, the royal family grew up. Also located in the grounds is the Chinese Pavilion dating from the 18th century.

You continue by short ferry trip in direction Södertälje. At Sturehov, located in eastern Lake Mälaren, it’s time for a late lunch. Södertälje, home of Scania is located south of Stockholm where the lake is connected to the Baltic Sea through the lock in Södertälje canal.

 approx. 60 km + ferry ride  265 m  290 m

DAY
3

Södertälje – Mariefred

Today you ride on small side roads to Gripsholm Castle. It houses the national portrait collection of over 4000 works that trace the portrait art from the 1400s and up to the present. The castle’s history goes back to the 1370s, when Bo Jonsson Grip built a castle on a promontory which, after several expansions became Gripsholm Castle.

If you would like to extend your tour you cycle to island Selaön with runestones and cemetery from the 15th century, built in the form of a ship.

 approx. 45 km  205 m  225 m

DAY
4**Mariefred – Järna**

Today's tour takes you right into the middle of untouched and remote nature reserves, through the amazing scenery of Sörmland. At this spot countless rivers and lakes were formed due to vast tectonic movements.

Nevertheless, the altitude is never higher than 100m. Once you have mastered the hills you get rewarded with stunning views and a long descent. Your hotel is located beautifully at a lake in the countryside and completes this "green day" of your bike trip.

 approx. 45 km  305 m  310 m

DAY
5**Järna – Trosa**

Your destination for the day is the idyllic Baltic Sea town of Trosa, which is also used as setting for many movies. Finish your day with a stroll through the picturesque village and enjoy the small alleys, red houses and wonderful views on the water. We recommend to try crabs, salmon or smoked fish in one of the nice, little restaurants for dinner.

 approx. 50 km  145 m  170 m

DAY
6**Trosa – Stockholm**

Northward bound and after a short ferry trip later you return to one of Stockholm's many islands. Top tip: take the overground 'S-Bahn' to Stockholm centre and in the afternoon cycle on lovely flat cycle paths along the water to Stockholm's Southern island of Södermalm. In the evening experience the great variety of restaurants.

 approx. 55 km + ferry and train ride  230 m  240 m

DAY
7**Departure or extension**
