CYCLING HOLIDAYS LAKES ROUTE LAKE GENEVA - LUZERN

Cycling: Lakes-Route

Pure, idyllic alps

The Lakes-Route deserves its name, because many lakes touch the Route from its beginning at the Lake Geneva to its goal at the Lake Lucerne. The Route leads through some of the outstanding touristic regions with great sounding names: Montreux, Gruyères, Gstaad, Interlaken and Lucerne... Whoever completes the Lakes-Route, has seen the most beautiful corners of Switzerland.

7 Days / 6 Nights

Self-guided tour

ITINERARY

DAY
1

Arrival to Montreux

Stroll along the promenade and enjoy breathtaking views over Lake Geneva and the snow white glaciers of the nearby Mont Blanc Massif.

DAY
2

Montreux – Gruyère and surroundings

From Vevey, take the rack railway up to the Mont-Pèlerin. Quiet roads lead you to the source of the most popular cheese of Switzerland: the Gruyère, which shares its name with the region. A recent symphony of green melancholy, cowbells and customs.

 approx. 40 to 50 km  600 to 855 m  500 to 735 m

DAY
3

Gruyère and surroundings – Gstaad and surroundings

Postcard country Switzerland: cheeseries, chalets, snowy mountains, cable cars, hotel scent and papercutting. Away from the idyll, the Pays d'Enhaut and the Saanenland are a magnificent landscape, animated by the haze of celebrity and happy mountain goers.

 approx. 40 km  735 m  410 m

DAY
4

Gstaad and surroundings – Lake Thun

The artfully decorated wooden houses of the Simmental are among the most beautiful in Europe. The Simme remains a wild river that demands a lot from dinghy riders. On to Spiez, a water sports paradies on the cheerful lake Thun.

 approx. 55 km  735 m  410 m

DAY
5

Lake Thun - Lake Sarnen

A boat ride from Spiez to Interlaken in the morning. On the shore of Lake Brienz there is a steep ascent to Meiringen to be completed where you can take the train across the Brünigpass. You reach Obwalden: a small Canton, a big Valley, a pre-alpine landscape with scattered villages, flat lakes and long traditions.

 approx. 55 km  1'145 m  1'200 m

DAY
6

Lake Sarnen - Lucerne

As soon as you get a glimpse of the Lake of Lucerne, the Pilatus is in your path. Bay after bay right to Lucerne, a fixed point for every tourist.

 approx. 35 km  240 m  310 m

DAY
7

Departure or extension

TOUR CHARACTER

Along the totally 16 lakes between Montreux and Horn, the route is of course smooth and flat – but between the lakes there are some minor passes to cross: Less athletic cyclists are recommended to use an electric bike which is well suited for this route. Athletic cyclists use the touring bikes.

Travel Documents

Travel documents “analogous”:

By default, your travel package includes a set of travel documents, which we will transmit you in advance. The following documents will inform you about your tour:

- Travel program with all organizational details
- Official guidebook «Cycling Switzerland»
- Maps for your biking and/or hiking routes
- Detailed maps about your stage locations
- Detailed programme day-by-day

Travel documents “digital”:

If you select the option “digital travel documents” when booking, we will provide you with all documents for your trip in a digital form. You will receive a small set of documents with the following content:

- Manuals for the use of necessary apps
- luggage tags
- eventual vouchers

En route you will inform yourself easily with the app of SwitzerlandMobility and other free apps. Background information and all other documents are electronically assigned and can be downloaded to your mobile phone in advance.

Since this option saves resources and costs, a **discount of CHF 30.- per room** is offered.
