CYCLING HOLIDAYS ROUND TRIP FRIBOURG CAT. B - EUROTOURS

Cycling: Round trip Fribourg

Chilly mountains in the south and warm lakes in the north

Fribourg is a «crazy» region, a topsy-turvy world. Chilly mountains in the south and warm

lakes in the north. Furthermore two languages and three different holiday destinations within smallest space.

Heidi-feeling and modernity mixes at the foothills of the alps. For example in Gruyères, where a medieval castle complex meets a futuristic museum of the Alien creator H.R. Giger or in Broc, where the Cailler chocolate factory with it's widespread smell is located. A must-see for every chocolate enthusiast.

Murten – Fribourg

From the medieval Murten along the Schiffenensee (Lake Schiffenen) and across contemplative, gently waved landscapes, to the gothic houses of Fribourg. The old town of Fribourg in the Üechtland is regarded as one of the most beautiful, medieval architectonic testimonials of Europe. Thanks to more than 200 gothic facades from the 15. century it has maintained its medieval charm until today. Ever since the bilingual city keeps the exchange of cultures alive.

Lovely is the landscape, man-made the lake: Lac de la Gruyère (Lake Gruyère), land of the «Crème de la Gruyère» (Cream Gruyère) and of the black-white specked cows. On the hill it stands, the castle-town Gruyères with its busy touristic hustle and bustle.

TOUR CHARACTER

The round trip through the Fribourgerland stretches from the flat three-lake-land into the alps foothills of Gruyères. But the waters of the Schifflensee (Lake Schifflenen) and Greizersee (Lake Gruyère) ensure that the cycle stages are mostly flat and easy-going, so you can enjoy the tour without greater effort.
