ITINERARY

DAY
1

Arrival in Airolo | Airolo – Capanna Corno Gries

Arrival in Airolo and luggage drop-off, followed by a cable car ride to Alp Pesciüm. From there the tour leads on a splendid high trail into the Val Bedretto. In the distance, the Gotthard pass with its old Tremola pass road can be seen.

After about 4.5 hours you reach the Alpe di Folcra, which invites you to take a break. The path continues to the hamlet of San Giacomo. From where the stage destination, the Capanna Corno Gries, is already within reach.

 approx. 7 h  approx. 21 km  1'330 m  740 m

DAY
2

Capanna Corno Gries – Rifugio Margaroli

Today you cross the border to Italy. From the Gries Pass the path winds down to the Italian reservoir Lago di Morasco. Once you reach the bottom, it's time for another climb. Over glacial moraines the path continues up to the Passo di Nefelgiu.

All around nothing but rock and debris. Only chamois, marmots or with a bit of luck ibexes keep you company here. After a difficult descent you reach Lago Vannino. At the eastern end of this reservoir sits enthroned the Rifugio Margaroli.

 approx. 6 h  approx. 16 km  1'200 m  1'360 m

DAY
3

Rifugio Margaroli – Binn

After the previous difficult stages, today you will overcome only one pass. From the Rifugio, a spectacular path leads first alongside Lago Vannino, then further up to Scatta Minoia.

After a short descent to the plateau of Alpe Forno Inferiore, you will return to Switzerland at the Albrun Pass. After arriving in Valais, the descent follows through the Binntal valley until the trip reaches its end in the main town of Binn.
