

BIKING HOLIDAYS BIKE CENTRAL SWITZERLAND TO

Biking: Bike Central Switzerland

The most beautiful trails on Lake Lucerne

The Rigi rises above Lake Lucerne to the north, while the two peaks of the Mythen watch over the Schwyz foothills to the east. This picturesque region is made for exploring on two wheels. Your bike tour through central Switzerland starts at the lake shore in Beckenried and you glide up to Klewenalp with the cable car.

A strenuous tour finally takes you to the idyllic Muota valley. Winding roads and trails await you on the next day while travelling over the Stoons to Schwyz. The rail tour through the Schwyz summits is a classic and the journey around the Mythen mountains and high up Rigi does not lack highlights. Central Switzerland is a real experience for bikers.
