CYCLING HOLIDAYS WEST COAST OF SWEDEN

Cycling: West coast of Sweden

From Helsingborg to Gothenburg

"Hey och välkommen" in Sweden! You'll be greeted again and again during your eight-day cycle tour on the Kattegat route to Gothenburg. In addition to the classic Köttbullar with mashed potatoes, there is fish and delicious seafood on every corner. A heaven for gourmet cyclists! Varied landscapes, exciting nature reserves, lush farmland and flat rocks that jut out of the Kattegat will shape your holiday memories.

Imagine: the gentle sound of the sea around you, the cry of seagulls above you and a deep green landscape in front of you. On the eight-day cycle tour along the west coast of Sweden you will experience this typical natural backdrop all topped off with Nordic charm. You'll cycle past the windmills in Särö, through exciting nature reserves but always clinging to the coast. As you approach the beach promenade in Varberg, the fortress of the same name rises in front of you. Here you can see the Bocksten Man, the remains of a medieval man's body found in a bog. Creepy!
