CYCLING HOLIDAYS INN-ROUTE MALOJA - SCUOL TO

Cycling holidays Inn-Route Maloja - Scuol

Free as the wind

After the valley wind of the Bergell has helped overcome the Maloja Pass, the air rushes down the Engadine. This so-called Maloja wind gives you the necessary thrust for a brisk ride on the coming cycling days. Gliders and kite surfers dance merrily in the sun above the lakes of Sils and Silvaplana and the tower of the St. Mauritius church near St. Moritz soon becomes visible. I wonder if it is because of the Maloja wind that it is a little crooked?

Continue through the small villages of the Upper Engadine till you reach the Swiss National Park. The sweet scents of the Vinschgau Valley already waft up to you at the top of the Ofenpass, but your tour continues along the Inn Cycle Path further into the Lower Engadine after the detour into the Münster Valley. Only a mild breeze remains of the Maloja wind, which has led you through one of the most beautiful regions of Switzerland.

TOUR CHARACTER

The "highlight" of this tour is the trip over the Ofen Pass when visiting the Münstertal. Otherwise, it is rather the constant ups and downs in the Inn Valley that demand strength. However, the short stages make this tour easy for normally trained cyclists.
