CYCLING HOLIDAYS BOLZANO - VENICE

Cycling: Bolzano - Venice

From the mountains to the sea

Charming valleys and enchanting towns, mountain landscapes and, of course, the Grand Canal. All this awaits you on your cycle tour across South Tyrol to the Adriatic Sea. The motto of this route is "experience and enjoy". The path leads past dreamy vineyards and through picturesque cities. A glass of red wine, antipasti and the original Italian tiramisu provide the culinary enjoyment during well-deserved breaks.

If you are a pleasure seeker and culture lover, you have reason to celebrate: on a cycling trip to the lagoon city, you will find everything your heart desires. The starting point of the tour is South Tyrol's capital, Bolzano. From there you cycle over rolling hills, through culturally rich cities and pass impressive landscapes. Short detours and pauses are planned in Trento,

Riva on Lake Garda, Verona, Vicenza and Abano. You always have the goal in mind! After seven days, you will reach the majestic lagoon city of Venice. And that’s not all: St Mark’s Square, a gondola ride on the Grand Canal and the cities unique charm make for a grand finale to the journey.

8 Days / 7 Nights

Self-guided tour

ITINERARY

DAY
1

Arrival in Bolzano

Welcome briefing and bike fitting. The capital of the South Tyrol region invites you for your first walk through the famous streets with Italian flair: the Laubengasse, the Fruit Market (Obstmarkt) and the square Waltherplatz. A must see is also the Archaeological Museum with „Ötzi“.

DAY
2

Bolzano – Trento

You will pedal along beautiful cycle paths beside the river Adige, partly through orchards, to Salorno where the German speaking Tyrol ends. The pathways along a dam lead right to Trento (picturesque old town).

 approx. 70 km  265 m  185 m

DAY
3

Trento – Lake Garda South

First, you will continue to cycle along the Adige, to Rovereto from here the tour leads westwards towards Lake Garda. In Mori you will taste the world famous pistachio ice-cream in the Gelateria Bologna.

After a short ascent, you will descend down to the lake to Torbole and on to Riva. From here, a boat trip will take you down the entire length of the lake to Sirmione or Desenzano.

 approx. 50 km + boat trip  200 m  320 m

DAY
4

Lake Garda South – Verona

Partly flat, partly slightly hilly, the route will take you through the vineyards on to Verona, a town full of sights (the Festival Arena, Juliet's house, the old town walls).

 approx. 50 km  190 – 240 m  210 – 240 m

DAY
5**Verona – Vicenza**

Today's route is initially flat and then you will cycle through the Monti Berici hills to the excursion area of Vicenza, with a beautiful view over the city.

To make this longer stage a bit shorter, you can also travel the first part by train to San Bonifacio. In the old town of Vicenza you can feel the spirit of Palladio, the famous architect from the Middle Ages.

 approx. 70 km  470 m  475 m

DAY
6**Vicenza – Abano Terme/Padua**

On leaving Vicenza, you will see numerous Venetian villas, such as the Villa Rotonda. The route along the river Bacchiglione leads to Abano Terme, one of the famous Italian spa towns. From Abano Terme, you can easily travel by bus to Padua, the city of St Anthony and the scholars.

There you will have enough time to enjoy the thermal baths. If you are culturally-minded, you can enjoy Padua overnight for an additional charge. In category charm, this extra night is included.

 approx. 35 – 45 km  15 – 30 m  55 – 70 m

DAY
7**Abano Terme/Padua – Venice/Mestre/Marghera**

With a light wind behind you most of the time, it's an easy ride towards the sea. The landscape is full of meadows and fields. This stage will take you to the mainland before Venice, with its excellent bus service into the city of lagoons. At the end of your tour, not far from Marcus square, you can look forward to a little Grappa tasting session!

 approx. 40 – 50 km  15 – 35 m  15 – 40 m

DAY
8**Departure or extension**

The tour can also be combined with the Adige cycle path, as well as the "Venice to Florence" tour.

TOUR CHARACTER

The terrain is flat to slightly hilly. The only strenuous stretch is through the Monti Berici hills. The first two stages are mainly cycle paths and to the south and east of Lake Garda mostly service and side roads. Due to a lack of cycle paths along some sections, cycling on roads with moderate traffic is unfortunately unavoidable. Nearly all roads are asphalted.
