# BIKING HOLIDAYS LUGANO BIKE

Biking: Lugano Bike

## The hills of the "Malcantone"

This is one of the best bike-tours in Switzerland. Narrow paths lead you along the flanks of Val Colla and over the back of Monte Tamaro.

You will ascend to dizzying heights, experience crashing downhill and cycle past the most famous panoramic peaks of Ticino. Few tours can boast such a high proportion of singletrails as the Lugano bike and offer such diverse landscapes at the same time. Bike dreams come true in the hills of Malcantone.
