## HIKING HOLIDAYS JURA CREST TRAIL COUVET - NYON

Hiking: Jura Crest Trail

### Wild Jura highlands and gentle Lake Geneva

A true picture-book landscape spreads out at the feet of the hiker in the southern part of the Jura. The vineyards and sparkling waters of the Three-Lakes Region are as magnificent a sight as the snow-capped Alpine peaks that border the horizon in the south.

But don't let your gaze wander too far into the distance, because there's plenty to discover along the way too. The landscape in the Vallée de Joux is quiet and serene; much love for detail awaits you in the musical box paradise of Ste-Croix. Vallorbe tells smuggler stories and the culinary delights in the Vaud region crown this hike!

# ITINERARY

DAY  
1

## Arrival to Couvet | Couvet – Ste-Croix

From Couvet you walk via Fleurier up to the Jura high trail. Over widespread grazing land you will reach Ste-Croix, the home of musical boxes and music automats.

 approx. 7 h      approx. 23 km      1'200 m      800 m

---

DAY  
2

## Ste-Croix – Vallorbe

Not far from the Swiss-French border, the trail passes through the magnificent Vaud Jura. Here, trees and stones could tell some smuggling stories. In Vallorbe, old iron crafts and the railway are the centre of attention.

 approx. 7 h      approx. 25 km      945 m      1'260 m

---

DAY  
3

## Vallorbe – Le Pont

Typical Jura: first a river that emerges not far from a cavern, then a hike over a rocky mountain lookout and finally two lakes without above-ground outflows. These characterise the Vallée de Joux, home of many world-famous luxury watches.

 approx. 4.5 h      approx. 14 km      800 m      600 m

---

DAY  
4

## Le Pont – Le Brassus

The undisputed highlight of this tour across extensive pastureland is Mont Tendre, the highest elevation in the Swiss Jura: a vantage point over the Vaud region and Lake Geneva. In good visibility the view extends as far as the Alps and the blue Vosges.

 approx. 6.5 h      approx. 21 km      1'050 m      600 m

---

DAY  
5

Le Brassus – St-Cergue/La Cure

Through a park-like landscape with scattered chalets and a network of kilometre-long dry stone walls, the trail leads partly through a nature reserve established in 1972. A short stop is recommended at the ruins of an ancient monastery.

 approx. 4.5 h      approx. 17 km      460 m      860 m

---

DAY  
6

St-Cergue/La Cure – Nyon

A harsh rock bastion and the lovely shores of Lac Léman are contrasts that form a pair on this tour. After climbing the summit of La Dôle, not far from the national border, the trail leads through forest into the vineyards and to the beautifully situated little town of Nyon.

 approx. 7.5 h      approx. 26 km      780 m      1'400 m
