Cycling: 10 Lakes & sound of Music

### Enjoy the shining world of lakes in the Salzkammergut

Mondsee, Attersee, Traunsee, Wolfgangsee, Wallersee, Trumer Lakes and many more! The well-known lakes in the Salzkammergut are particularly popular because of their natural and cultural diversity. Every lake tells its own story: from Empress Sisi to the Trapp family, you will learn some anecdotes about famous Austrian people.

You'll find crystal-clear water as far as the eye can see and dreamlike shorelines for cooling off. All this awaits you on your cycle tour through Salzburg and Upper Austria. The enjoyment you'll find makes the Ten Lakes Tour a unique and unforgettable cycling trip. Promise!

The tour starts and finishes in beautiful Salzburg. Via Gmunden, Hallstatt and Bad Ischl you cycle to the ten lakes. The rolling hills allow you to rest during the downhill before the next slight incline is due. Do you love to combine experience and relaxation? Jackpot! Then the Ten Lakes Tour is perfect for your next bike adventure – because with each pedal you get closer to the enchanting lake scenery.

# TOUR CHARACTER

On the banks of the lakes and at the river Salzach, the routes are completely flat. In between, the terrain is mainly hilly. Depending on the option chosen, approximately one third of the route is on cycle paths and almost all of the rest goes through fields and along forest paths, farm roads, and quiet side roads. There are only a few short sections on roads with more traffic.
